Stamped Linens at One-third

THERE seldom comes a really great bargain except through somebody's loss. The ill-wind of the manufacturer or the importer or (sometimes) the retailer, blows good to the of the odds and ends, and, like all such customer. Here is an illustration of the proverb in a lot of Stamped Linens.

They are of the very highest class. The maker is known country-wide for the beauty and originality of his designs and the excellence of his materials and workmanship. These are all new and fresh, in latest ideas and fancies, but the prices are

One-third the Usual Figures.

With these, a lot of Stamped Art Goods,—dark linens, denims, and "art cloths," and marked at nearly Half Prices. All new. Here is a suggestion of the variety offered:-

STAMPED LINENS Dollies, some round, some square; the smallest are 7x7 in., at 5c.; the largest are 11¹2 in. square, at 25c., with various sizes and prices between.

Centerpieces, from 18x18 in. to 24x24 in. Prices, 25c. to 65c.

Stand Covers, 18x45 in., from 65c. to 85c.

Sofa Pillow Tops, of cotton art cloths, 25c. Table Covers, of fancy art cloths, 50c., 65c. and \$1. Shown with the stamped linens are many pieces of commenced and work, to illustrate and sugfinished gest the bringing out of the designs. These are also for sale at half usual

More of Suits and Capes

It is a matter of occasional regret that "style" is a thing indescribable. In type talk one suit sounds very much like another suit, and all jackets are alike to the reader, save in

We claim much for our garments, and most of that much lies in the field covered by that useful word "style,"—a term which often covers as many faults as charity itself. We think it hides no faults here. It means here, originality, attractiveness, effectiveness, desirability. It implies care, thought, experience and expert skill. It is associated here, too, with inexpensiveness. As an illustration of all this, look into the

merits of these:-At \$16—Of serge and Venetian cloth; Sad-dler jackets prettily braid trimmed and silk lined; correctly hanging skirt, lined with percaline.

At \$17.50—Of serge; Saddler jacket, to be worn open or closed; silk-faced revers; silk lined; skirt percaline lined.

Two Furniture Announcements

An \$84 Parlor Suit for \$48

WE wish we had more of these, for there will be a prompt and sharp demand for them to-day. There are three pieces in the set, the frames are of solid mahogany, lightened with inlaid tracery, and the coverings are of silk velours, over hair. The furniture people say that our present price is only a little more than half a fair valuation.

A \$20 Couch for \$12

We make these to your order, showing you samples of coverings and the finished couch as a guide and illustration. There's a very liberal choice offered in the coverings,-you can match almost any surroundings. The couch as we turn it out is fairly valued at \$20.

There are a few couches here which have remained our guests too long. We speed their parting thus:-At \$7, from \$10 At \$16, from \$24 At \$30, from \$46 At \$36, from \$48 At \$20, from \$35 At \$21, from \$29

of yesterday. Some are imported goods, formerly sold at \$3 a yard. Such are now marked 75c. Some were 40c.,—now 15c.; and so it goes. There are plaids, stripes, checks, and fancy patterns.
